

## **“Sharing the Responsibility”**

### **Wildfire Mitigation Stipend Guidelines: University Park**

- Intended to address wildfire risk to homes dealing with surrounding fuels in the home ignition zone (first 30'.)
- This is not a grant award but a DOLLAR-FOR-DOLLAR MATCH up to \$1,000 per household.
- Cannot pay for retroactive work.
- Not intended to “landscape” or maintain your property – has to follow mitigation standards.
- Each participant must sign a stewardship agreement.
- No \$ to change hands; City and residents will be invoiced directly from the contractor.
- Must use a licensed / insured tree service provider.
- Walk-thru with CSFD, resident and contractor to agree to the work being done – final say is with the resident / owner. All work discussed will be noted on work form and signed off by the owner and the contractor. Homeowner will receive an estimate for the work beforehand.
- Limited funds, allocated on a first come, first served basis. Additional sign-ups will be on the “stand-by” list in case not all funds are used up.
- Grant obtained through the Department of Natural Resources (WRRG).
- Call Ashley to schedule a walk-thru of the property with the contractor.
