

ENGINEERING

University Park: Public Meeting #2

Good afternoon,

Thank you all for your patience as Traffic Engineering processes the survey submissions, collects additional data, and interprets best practices for traffic calming in your neighborhood. You are invited to attend the second public meeting intended to discuss actionable items. The meeting details are found below, and will be posted on the City website <https://coloradosprings.gov/public-works/page/neighborhood-traffic-calming> in the next couple days.

Meeting details:

Pikes Peak East Library [Location Map](#)
Community Room (bear to the left after entrance)
Thursday, November 13th, 2025
6:00 pm – 7:00 pm

Once visiting the City website, please scroll down to the “*Public Process Meetings*” tab, expand it, and you will see additional information as illustrated below.

To submit a traffic management request for your neighborhood, [please submit a request via GoCOS!](#)

If traffic issues are validated, there are several low-cost options for traffic calming:

- +** TRAFFIC MANAGEMENT STRATEGIES
- +** CSPD TRAFFIC ENFORCEMENT
- PUBLIC PROCESS MEETINGS

University Village, Collegiate Dr and Rockhurst Blvd

The City of Colorado Springs is hosting an informational public meeting for the neighborhood of University Village to discuss potential traffic calming applications for Collegiate Dr and Rockhurst Blvd. The study area is focused on the collector roadways with respect to pedestrian and cyclist activity, and access to Dr. Frank M. Houck Park. The Traffic Engineering Division will be reviewing speed and volume data relative to the site and listening to neighborhood feedback for potential applications. The meeting details are:

- Where: the East Community Meeting Room @ [East Pikes Peak Library](#) (5550 N Union Blvd, Colorado Springs, CO 80918)
- When: July 16th, 2025
- Time: 5:30 pm to 7:00 pm
